Emerging Wisely Current State: Relaxing Phase 2 – Next Steps

Two confirmed COVID-19 infections at Imperial Oil worksite in Norman Wells; no public exposure risk

The Chief Public Health Officer has confirmed two cases of Covid-19 at the Imperial Oil Worksite in Norman Wells. The confirmed cases are nonresident workers who tested positive while undergoing standard inbound screening for transient workers.

- The infections were **not** acquired on site.
- The cases are not linked to one another.
- The two individuals are isolating and doing well.
- There is no exposure risk to the public identified at this time.
- Contact tracing is currently underway.
- There is no outbreak being declared at this time.
- Transient workers travel to Norman Wells via direct charter.
