Emerging Wisely Current State: Relaxing Phase 2 – Next Steps

Keeping Norman Wells Clean and Safe

Fitness Centre

A reminder to users that you are required to wipe down each piece of equipment that you use and dispose of the wipes in the garbage. Your cooperation is essential to keep the fitness centre open.

Playgrounds

Garbage such as pop cans and chip bags pose a COVID-19 exposure risk to youth and Town staff. Please pick up after yourselves and dispose of waste in garbage bins. Parents/guardians are asked to speak to their children about the importance of *'stashing the trash'* now more than ever.

Parks and Greenspaces

If you are organizing a cookout make sure you plan to bring cleaning supplies to wipe down your picnic table/bbq before and after use. Please ensure all garbage is disposed of in garbage bins.

Help us Keep Norman Wells Clean

If you see trash and you are comfortable picking it up, please help us out...just remember to wash your hands after. Speak to your family, friends and neighbours about the importance of everyone taking responsibility for keeping our town clean and safe.
