Emerging Wisely Current State: Relaxing Phase 2 – Next Steps

We would like to wish all students and staff a happy and healthy return to school.

Things may look different from last year, and going forward they may even change one week to the next, but we are confident that the staff at MMS have done and will continue to do everything in their power to make sure students and staff have a safe and successful return to school.

To support our students and school staff we need to show patience, trust, flexibility, and a sense of community.
