

Town Office Update

Senior Administrative Officer Cathy Clarke, who recently returned from a trip to her home in Haines Junction, Yukon has had a self-isolation plan approved by Health & Social Services as she has been identified as an Essential Services worker. This plan allows Ms. Clarke to travel to and from her workplace and to walk her dog, Winnie, with the requirement to abide by social distancing guidelines.

Ms. Clarke did not leave the north, she travelled by car directly to Haines Junction then flew on charter back to Norman Wells from Whitehorse.

In you have any questions please call Cathy Clarke at the Town Office during business hours of 8:30AM – 5:00PM at 587-3700 or email her at
