What should I do if I test positive for Covid-19?

TOWN OF NORMAN WELLS

I'm Covid Positive

↓

Isolate for 10 days post diagnosis, or until symptoms resolve (whichever is longer)

↓

No exit test is required once symptoms resolve
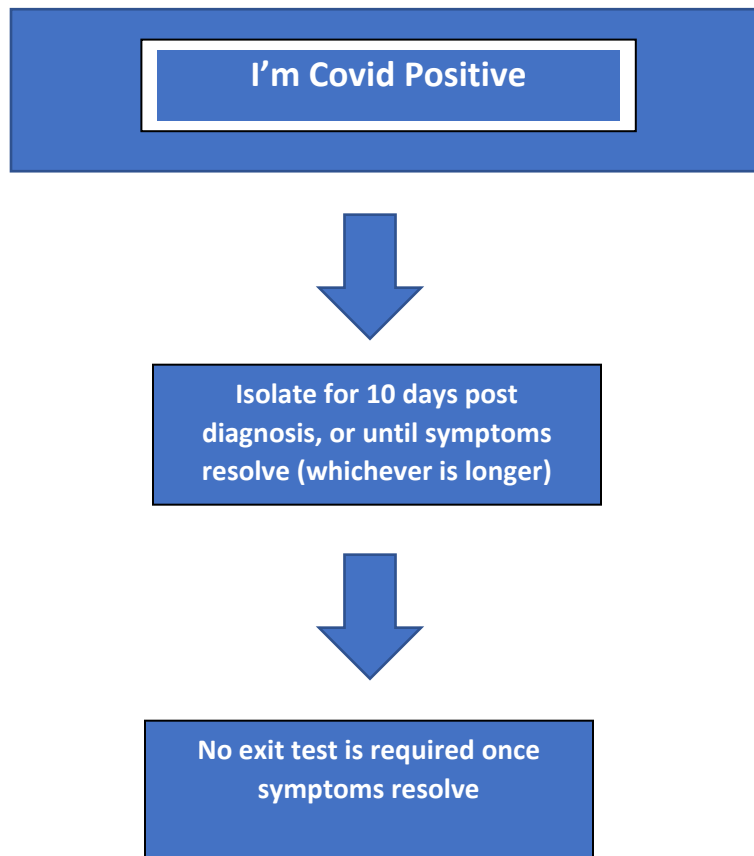

*For some individuals with severe illness, isolation may last up to 3 weeks.
*Isolate means do not leave your property at any time while you are experiencing symptoms of Covid-19.
