1. Call to Order

2. Declaration of Conflict of Interest

3. Review and Adoption of Agenda

4. Delegation

5. Topics

1. Housing:

- 11.26 Negotiated contracts policy clause 6.2
- Council was requested to give input/support as per GNWT Policy
- Input ignored, we were not informed of how or why after lengthy discussion between staff and by Council
- **No action**

2. AITPP:

- Council information which was held by GNWT made available to individual we are in litigation with without our knowledge
- This issue is still ongoing
- **No action**

3. Health care:

- Ambulance service support
- We believe we qualify for financial support as we do have winter road and Mackenzie River access
- A lot of talk no solutions provided
- **No action**

4. COVID-19 fund reimbursement:

- Promised reimbursement by GNWT/MACA at front end of emergency management
- GNWT brokers federal funds for communities and has not followed through on this duty
- Have repeatedly received mixed messages from GNWT officials regarding “debt owing” and budgeting going forward
- Budgets are limited GNWT showing no understanding of our financial situations when directing us to budget for emergencies
- **No action**

5. Infrastructure funding from territorial and federal levels of government:

- The requirement to provide the requisite 25% on most federal infrastructure funding is unduly cumbersome for municipalities
- GNWT is misleading the public etc. when it is falsely claimed that territorial level of government is providing the 25%

- Town is competing with GNWT for some of the available federal infrastructure grants i.e.: ICIP
 - **No action** on GNWT ICIP grant for landfill metals clean-up, 2 years
6. GNWT lease tax arrears:
- Unable to write off bad debt on our books
 - Ongoing debt owing from signed GNWT lease taxes
 - Have been willing to work with GNWT for 2.5 years on this and there has been no ongoing commitment of any sort from GNWT
 - Town is still accruing tax debt on properties of individuals who have been deceased for over 10 years.
 - **No action**
7. Hazardous waste/clean-up of GNWT leased property:
- Signed lease agreements state that said leases will be returned remediated
 - None of these properties has been cleaned up
 - Concern voiced to GNWT re: the waste left in our community as per its potential toxicity and its impact on our landfill
 - **No action**
8. Indigenous consultation on Community Plan:
9. Quarry
10. Utilities Arrears
11. Council Donations Policy
12. Ongoing research for alternative service delivery models in all areas
- Daycare provision models
 - Food security models
 - Municipal best practices
 - Sustainable business models
 - Climate change impacts on municipalities
13. NWTAC call for Resolutions
- initial framework for resolutions
14. Adjourn
