- 1. Call to Order**
- 2. Declaration of Conflict of Interest**
- 3. Review and Adoption of Agenda**
- 4. Delegation**
- 5. Topics**
 1. Housing:
 - 11.26 Negotiated contracts policy clause 6.2
 - Council was requested to give input/support as per GNWT Policy
 - Input ignored, we were not informed of how or why after lengthy discussion between staff and by Council
 - **No action**
 2. AITPP:
 - Council information which was held by GNWT made available to individual we are in litigation with without our knowledge
 - This issue is still ongoing
 - **No action**
 3. Health care:
 - Ambulance service support
 - We believe we qualify for financial support as we do have winter road and Mackenzie River access
 - A lot of talk no solutions provided
 - **No action**
 4. COVID-19 fund reimbursement:
 - Promised reimbursement by GNWT/MACA at front end of emergency management
 - GNWT brokers federal funds for communities and has not followed through on this duty
 - Have repeatedly received mixed messages from GNWT officials regarding “debt owing” and budgeting going forward
 - Budgets are limited GNWT showing no understanding of our financial situations when directing us to budget for emergencies
 - **No action**
 5. Infrastructure funding from territorial and federal levels of government:
 - The requirement to provide the requisite 25% on most federal infrastructure funding is unduly cumbersome for municipalities

- GNWT is misleading the public etc. when it is falsely claimed that territorial level of government is providing the 25%
 - Town is competing with GNWT for some of the available federal infrastructure grants i.e.: ICIP
 - **No action** on GNWT ICIP grant for landfill metals clean-up, 2 years
6. GNWT lease tax arrears:
- Unable to write off bad debt on our books
 - Ongoing debt owing from signed GNWT lease taxes
 - Have been willing to work with GNWT for 2.5 years on this and there has been no ongoing commitment of any sort from GNWT
 - Town is still accruing tax debt on properties of individuals who have been deceased for over 10 years.
 - **No action**
7. Hazardous waste/clean-up of GNWT leased property:
- Signed lease agreements state that said leases will be returned remediated
 - None of these properties has been cleaned up
 - Concern voiced to GNWT re: the waste left in our community as per its potential toxicity and its impact on our landfill
 - **No action**
8. Indigenous consultation on Community Plan:
9. Quarry
10. Utilities Arrears
11. Council Donations Policy
12. Ongoing research for alternative service delivery models in all areas
- Daycare provision models
 - Food security models
 - Municipal best practices
 - Sustainable business models
 - Climate change impacts on municipalities
