1. **Call to Order**
2. **Declaration of Conflict of Interest**
3. **Review and Adoption of Agenda**
4. **Delegation**
5. **Topics**
  1. Housing:
    - 11.26 Negotiated contracts policy clause 6.2
    - Council was requested to give input/support as per GNWT Policy
    - Input ignored, we were not informed of how or why after lengthy discussion between staff and by Council
    - **No action**
  2. AITPP:
    - Council information which was held by GNWT made available to individual we are in litigation with without our knowledge
    - This issue is still ongoing
    - **No action**
  3. Health care:
    - Ambulance service support
    - We believe we qualify for financial support as we do have winter road and Mackenzie River access
    - A lot of talk no solutions provided
    - **No action**
  4. COVID-19 fund reimbursement:
    - Promised reimbursement by GNWT/MACA at front end of emergency management
    - GNWT brokers federal funds for communities and has not followed through on this duty
    - Have repeatedly received mixed messages from GNWT officials regarding “debt owing” and budgeting going forward
    - Budgets are limited GNWT showing no understanding of our financial situations when directing us to budget for emergencies
    - **No action**
  5. Infrastructure funding from territorial and federal levels of government:
    - The requirement to provide the requisite 25% on most federal infrastructure funding is unduly cumbersome for municipalities

- GNWT is misleading the public etc. when it is falsely claimed that territorial level of government is providing the 25%
  - Town is competing with GNWT for some of the available federal infrastructure grants i.e.: ICIP
  - **No action** on GNWT ICIP grant for landfill metals clean-up, 2 years
6. GNWT lease tax arrears:
- Unable to write off bad debt on our books
  - Ongoing debt owing from signed GNWT lease taxes
  - Have been willing to work with GNWT for 2.5 years on this and there has been no ongoing commitment of any sort from GNWT
  - Town is still accruing tax debt on properties of individuals who have been deceased for over 10 years.
  - **No action**
7. Hazardous waste/clean-up of GNWT leased property:
- Signed lease agreements state that said leases will be returned remediated
  - None of these properties has been cleaned up
  - Concern voiced to GNWT re: the waste left in our community as per its potential toxicity and its impact on our landfill
  - **No action**
8. Indigenous consultation on Community Plan:
9. Quarry
10. Utilities Arrears
11. Council Donations Policy
12. Ongoing research for alternative service delivery models in all areas
